24 SEPTEMBER 2020

NUMBER 9

Dear parents and carers,

As we conclude our carnivals for the year, I have been so impressed by the community support. We had many parents and community members attend both the short distance running, long-distance running the jumps and throws events. We also had many parents attend the presentation in which we awarded champion boy and girl to each year level. Thank you to all of our parents for your positive reaction and support. Thank you to Mr McGeever and the PE Committee, who organised these events for our school. Next year, we will be hosting the interschool athletics carnival, and so it is essential that we begin our planning so that it is a tremendous success.

Thank you also to Ms Andi Hancock and the P&C for coordinating the sausage sizzle and for undertaking some fundraising. The P&C raised about \$400, which was donated to the school. Thank you also to the parents who came along and assisted with the sausage sizzle. Ms Sharon Gillett, Mrs Lung Hre, Miss Cooper and our staff members Mrs Clough and Mr David Ward, our chaplain.

MICROSOFT TRANSFORMATIONAL SCHOOLS-

As our vision is 'Preparing our students for tomorrow', we need to support our students with literacy, numeracy and social skills. Still, we also need to ensure that they learn how to access technology to support lifelong learning. Our school has commenced a trial of the 'Microsoft Transformational Schools' project. We have streamlined all our computers/notebooks so that we are consolidating the Microsoft platform. This decision ensures that there is consistency and consolidation in all classrooms from K to Year 6. We will be exploring the Office suite of software and using this to support student learning in a variety of ways. Some of our teachers have participated in professional learning, and they will be sharing their skills with other staff. We are very excited about this opportunity. Along with our new interactive whiteboards, increasing the number of iPads and improving the efficiency of our notebooks, we are well placed to support our students with learning new technological skills and enhancing their learning for the future.

YEAR 6 VISIT TO DIANELLA SECONDARY COLLEGE

Thank you to Ms Young and Mr McGeever for taking our Year 5/6 students Dianella Secondary College to participate in the 2020 Sports Spectacular in basketball and soccer. Our students participated with other schools and performed admirably. Not only did the students have lots of fun, but they have begun to interact with the high school staff and start the process of becoming comfortable in a high school environment. This process will make sure that their transition to high school is smooth and successful.

TEACHER/PARENT INTERVIEWS

I would like to sincerely thank all of our parents and carers who participated in the teacher/parent interviews. This event is a crucial part of our reporting requirements. It is essential that parent have an understanding of the strengths and areas of improvement of their children so that we can create a team approach in supporting them with their learning. I will be sending out a survey via TEXT message so that you can provide us with some feedback on how we can improve the process for next year.

HOLIDAYS

As we come to the end of another term in a quickly vanishing year, I would like to sincerely thank our parents and teachers for a wonderfully collaborative effort in supporting our students with their learning. It has been a busy yet fruitful term with wonderful achievements. I hope everyone has a happy and safe holiday and I look forward to seeing everyone again next term.

Thank you

Paul Biemmi
Principal

ASSEMBLY NEWS

These assembly items were presented by the students from Rooms 9 & 16.

Room 9 item was about the classic fable by Aesop 'The Fox and the Raven' . Students retold the story orally using gestures to remember the story off by heart.

Room 16 presented an item using Talk for writing. The students created and signed their version of the Auslan Alphabet.
