

Dryandra Primary School

An Independent Public School

31 MARCH 2022

NUMBER 3

Dear parents and carers

This term has been a rather difficult term with many disruptions and additional stresses due to Covid-19. I would like to thank our students, parents and the school community for their patience and the many ways in which they have supported Dryandra Primary School. Students in Years 3-6 have had the additional discomfort of mask wearing and many parents and carers have had students in isolation at home, or unwell. Thank you for keeping the school informed and updated on the impact on your families, this has been appreciated and has helped us to identify close contacts fairly quickly. I hope that all restrictions will ease next term, and we can get back to having parents and carers more involved in events at school.

Today's newsletter is an additional newsletter as we have had to make some changes due to staff and student absences.

The Room 18 assembly is now in Week 10, on 7 April at 2 .00pm. This will be filmed and we hope to share this on the Facebook page. Next week's newsletter will have the certificate recipients published. At this assembly, the Easter raffle will be drawn and I wish everyone the best of luck in the draw.

On April 8 we will have our ANZAC ceremony at 9:00 am. Unfortunately, we are unable to welcome parents to this year's ceremony. We will film this and are hoping to share it on the Facebook page and send a link to parents so they can watch this important event.

EDMUND RICE CENTRE

On 30 March, we had visitors from the Edmund Rice Centre attend the school and they spoke to various classes about programs they run in the local area. Their programs are all free of charge and are either after school, or on Saturdays. Children have the opportunity to attend art classes, leadership classes, soccer, AFL, basketball or theatre classes. These are a wonderful opportunity for children to meet others, play games and build relationships while learning new skills. Please follow the link below, or ask the school for an information pamphlet.

INTERIM REPORTS

Interim reports will be sent home on Monday. These are a snapshot of how students are going and are a replacement of the parent interviews we were going to have. If you would like to make a time to speak with your child's teacher, please phone the office to make an appointment. Telephone interviews would be preferred, but if you need an interpreter, we will make alternative arrangements to accommodate this.

The last newsletter for the term will be next week.

Warm Regards,
Regina KroczeK
Principal

Brownes dairy have been very generous to our school and donated pots of fruit yoghurt for us to share with the students.

Mrs Clough and Mr Ward hand these to our students during lunch.

The students all enjoy this healthy treat.

Last chance to buy your Easter Raffle tickets. This will be drawn Thur 7 April . Tickets from the office. \$2.00 each or 5 for \$6.00

Warriapendi Dental Therapy Centre will be closed in the school holidays .**Only opening Thursday 14 April** .9349 3975
